All Full Day Campers Receive a Free WFC Tye-Dye T-Shirt!

Registration can be completed online at www.workfamily.org. Our flexible scheduling offers daily or weekly registration options and various pickup times to suit your needs.

Daily Activities correspond with our weekly themes and include STEM (Science, Technology, Engineering, Math) Activities, Sports, Group Games, Cooking Projects, Arts & Crafts, and more! Enrichment activities will be offered, including Seeds-To-Salsa, where the campers will grow their ingredients and make their own salsa!

Field Trips are taken twice each week and are included in full day tuition. For maximum safety, we lower our staff/child ratios and separate the students into similar age groups. During Travel Camp, field trips run every day.

Swimming is offered three times per week, on non-trip days, at no additional cost. Certified lifeguards and extra WFC Staff members are present for maximum supervision and safety. Don't feel like swimming? It's ok - enjoy one of the other activities that the pool grounds offers, or simply relax on the lounge chairs!

WFC Staff are First Aid & CPR certified. All staff members undergo fingerprinting & background checks!
