Annual Title IX Notification

Dear Parent or Guardian:

The Title IX regulations at 34 C.F.R. 106.9 require that the Long Hill Township School District issue a notice stating that it does not discriminate on the basis of sex in the education programs or activities it operates. The notice must state at a minimum that the recipient of federal funding does not discriminate on the basis of sex in admission to or employment in its educational programs or activities. Inquiries concerning the application of Title IX and its implementing regulations may be referred to the Long Hill Township School District superintendent of schools.

Through its policies and practices, the Long Hill Township School District does not engage in these types of discrimination.

Section 106.9(b) requires that the notice of nondiscrimination be displayed prominently in each announcement, bulletin, catalog or application form used in connection with recruitment of students or employees. The notice should also include the name, office address and telephone number for the designated Title IX coordinator.

The Title IX coordinator for the Long Hill Township School District is Dr. René Rovtar. If you seek guidance or have additional questions about Title IX, you may contact me at (908) 647-1200.

Sincerely,

René T. Rovtar
